

**BIBLIOGRAPHY OF THE PREHISTORY
AND THE EARLY DYNASTIC PERIOD OF
EGYPT AND NORTHERN SUDAN 1998
ADDITION**

The present bibliographical list is a continuation of HENDRICKX, S., *Analytical Bibliography of the Prehistory and the Early Dynastic Period of Egypt and Northern Sudan*. Egyptian Prehistory Mono-graphs 1. Leuven, 1995. Previous additions have been published in Archéo-Nil 7 (1996): 85-121 and 8 (1997): 151-168. Similar to those additions, the list is divided in two parts. The first consists of publications which appeared between 1993 and 1997, while the second part is made up by older publications which were previously unknown to me. The numbering is continued from the original volume and the previous additions.

Encyclopedic works and small notes relating to recent archaeological activities have been treated as separate entries which of course enlarges the corpus considerably, but proved to be useful with regard to the site register.

Off-prints, lists of publications or other bibliographical information were kindly put at our disposal by: B. Adams; B. Andelkovic, A. Anselin; J. Baines; B.E. Barich; L. Bavay; B. Brandl; J.J. Castillos; J. Cervello Autuori; M. Chlodnicki; K.M. Cialowicz, D. Darnell; J.C. Darnell; Ede Ltd.; J.M. Eisenberg; E.-M. Engel; P.M. Fischer; R.F. Friedman, A. Gau-tier; F. Geus; A. Hesse, P.F. Houlihan; D. Huyge; O. Ilan; J. Kahl; W. Kaiser; E.C. Köhler; M. Litynska-Zajec; B. Midant-Reynes; H.A. Nordström; S.H. Savage; D.A. Stocks; S.P. Tutundzic; E.C.M. van den Brink; P. Van Peer; P.M. Vermeersch; D.A. Welsby.

Additions to this bibliography will continue to be published yearly in Archéo-Nil. Therefore, it would be most useful if scholars would send their publication lists, off-prints and additions or corrections to the author on the following address :
